Glamour meets comfort

In spacious rooms with private terrace

In a sail-capped tower rising 26 floors above the Corniche, our chic and comfortable guest rooms and spacious suites combine classic elements with design-hotel touches, such as carefully selected antiques, suede-upholstered headboards and elliptical desks. From their floor-to-ceiling windows and private furnished terraces you'll enjoy the city's finest panoramas – including Beirut and its mountain backdrop, or the Mediterranean Sea and rugged coast. Each guest room and suite has at least one full marble bathroom, with a deep tub and separate shower.

Our suites promise pure luxury

Then head up to The Roof, Beirut's highest open-air lounge, which pulses with the best of the city's nightlife all week long. Its 360° views of city and sea accent a cool, Asian-inspired tapas menu. Relive the evening, long past midnight, over late dinner in The Lounge or stay up to begin your day anew with its breakfast buffet of Lebanese and international fare.

A rooftop lounge at night, featuring a bar with blue lighting, modern seating, and palm trees. The scene is illuminated by warm interior lights and cool blue accents, set against a dark sky. The architecture includes white structural columns and a balcony railing.
