

# RETREAT WITH CITY CHIC

On Istanbul's glorious waterfront

# INSPIRED MEETS INSPIRING

By the historic Strait of Bosphorus

Istanbul: the only city astride two continents and cultures, Europe and Asia. Between, flows the Strait of Bosphorus, where the wakes of passing yachts ruffle the reflections of sultans' stately summer homes – including Four Seasons Hotel Istanbul at the Bosphorus. Minutes from the Hotel's private pier, discover Istanbul's hottest nightclubs and restaurants, and the most exclusive shops and residences in all of Turkey. Yet, a short speed launch ride takes you to the wonders of the Old Town – Blue Mosque, Haghia Sophia, and Topkapı Palace. Unforgettably unique.
