EVERY ROOM IS UNIQUE

Fine design inspired by architectural heritage

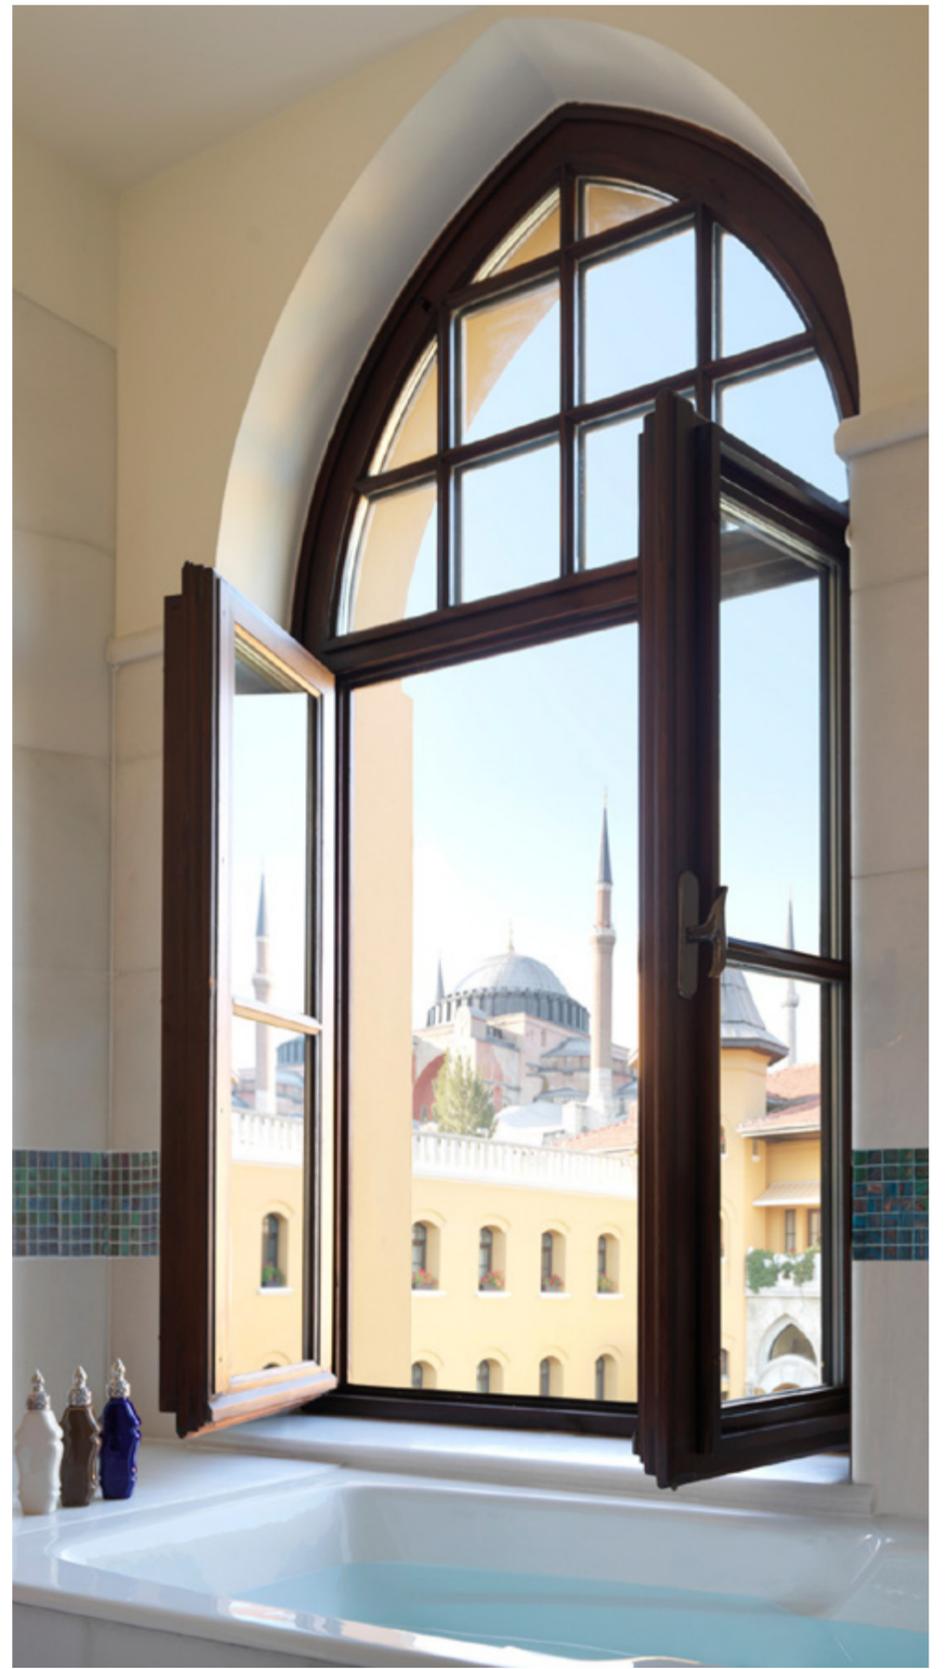

Each large window opens to pure delight. It might be the lushly planted courtyard, the streets and spires of the Old City, or the Sea of Marmara and Princess Islands. Two premium suites let you gaze at the city from multiple terraces, or cosy up by the crackle of a fireplace. Your marble bathroom is always remarkably ample and luxurious, even by Four Seasons standards. Yet the charming sense of history is matched by superb comfort and the conveniences of today's wired world.
