

KAILANI SUITE

Set at the southern tip of the Beach Tree Crescent in the center of the Resort, the expansive, one- or two-bedroom Kailani Suite exudes the comfort and ambience of a Hawaiian beach home. Views sweep across the Pacific Ocean from a privileged oceanfront setting, close to the waves. The central living and dining area flow to a wide lanai, furnished for outdoor lounging and dining. To maximize privacy, the two bedrooms are located on opposite sides of the villa. Each bedroom opens onto the lanai and features a large walk-in closet and a full granite bathroom with lava-rock outdoor showers – a favorite among the romance travelers. The guest powder room at the entrance includes a steam shower.

Set oceanside at the southern tip of Beach Tree Crescent, the exclusive Kalaini Suite captures a sophisticated, luxe ambience – ideal for an adult hideaway.
