FEEL THE THRILL OF

**ADVENTURE**

Ride through magnificent O'ahu landscapes at Kualoa Ranch, the filming location for *Jurassic Park*, *Godzilla*, *Lost*, and *Hawaii Five-0*.

Dive below the surface and try your hand at the ancient sport of spearfishing on one of the island's many reefs. We'll arrange lessons with an instructor and in no time you'll be fishing like an expert.

Hook, line and eat! Whether you're a novice or a seasoned angler, we'll hook you up with an expert guide for an unforgettable deep-sea fishing expedition. Here's your chance to land a yellowfin tuna, marlin, swordfish or parrot fish – then let our Four Seasons chefs prepare a line-to-plate dinner with your fresh catch!

Soar in a helicopter for an above-it-all tour of the island's most remote scenery, as well as famous attractions, including Kaneohe Bay, Pearl Harbor, and Diamond Head.

Water sports abound on O'ahu. There's epic surfing here on the western coast, and it's a scenic 30-minute drive to the North Shore, the legendary surfing mecca. For adrenaline enthusiasts, take the leap at Waimea Bay's famous "Jump Rock".

Get into the swing of island life at the lush Ko Olina Golf Club, just a five-minute walk from Four Seasons. Designed by Ted Robinson, this gorgeous 18-hole course can be part of your daily routine.

# CELEBRATE

OUR NATIVE CULTURE

Nestled next to Four Seasons, Lanikuhonua is a sacred, culturally rich oceanfront estate that was once a special retreat for Hawaiian royalty and chiefs. Talk "story" with Auntie Nettie Tiffany, a local spiritual Kahu (leader) and learn about the area's rich history.

Lanikuhonua offers 10 acres (4 hectares) of pristine tropical foliage and oceanfront grounds – perfect for quiet walks, meditation or even weddings and special events. The property's natural tidal pool formations, or "ponds," contain natural spring water from the mountains.

For an authentic Hawaiian challenge, try paddling an outrigger canoe along the western coastline. This uniquely designed boat is the islands' original vehicle for seafaring expeditions, dating back to 200 AD. Join an experienced crew for a journey that intertwines athleticism, Hawaiian culture and a deep connection to the ocean.

# TASTE THE LOCAL FLAVOR

North Shore waters are abundant with freshwater shrimp, and the beach areas are home to many popular shrimp trucks. Say aloha to Mama at her famous Shrimp Shack on the Kamehameha Highway. Favorites include the coconut shrimp and the spicy garlic shrimp.

Explore authentic O'ahu specialties at hotspots around the island. But you can also enjoy them here at Four Seasons in our five restaurants and bars, highlighting locally inspired cuisine.

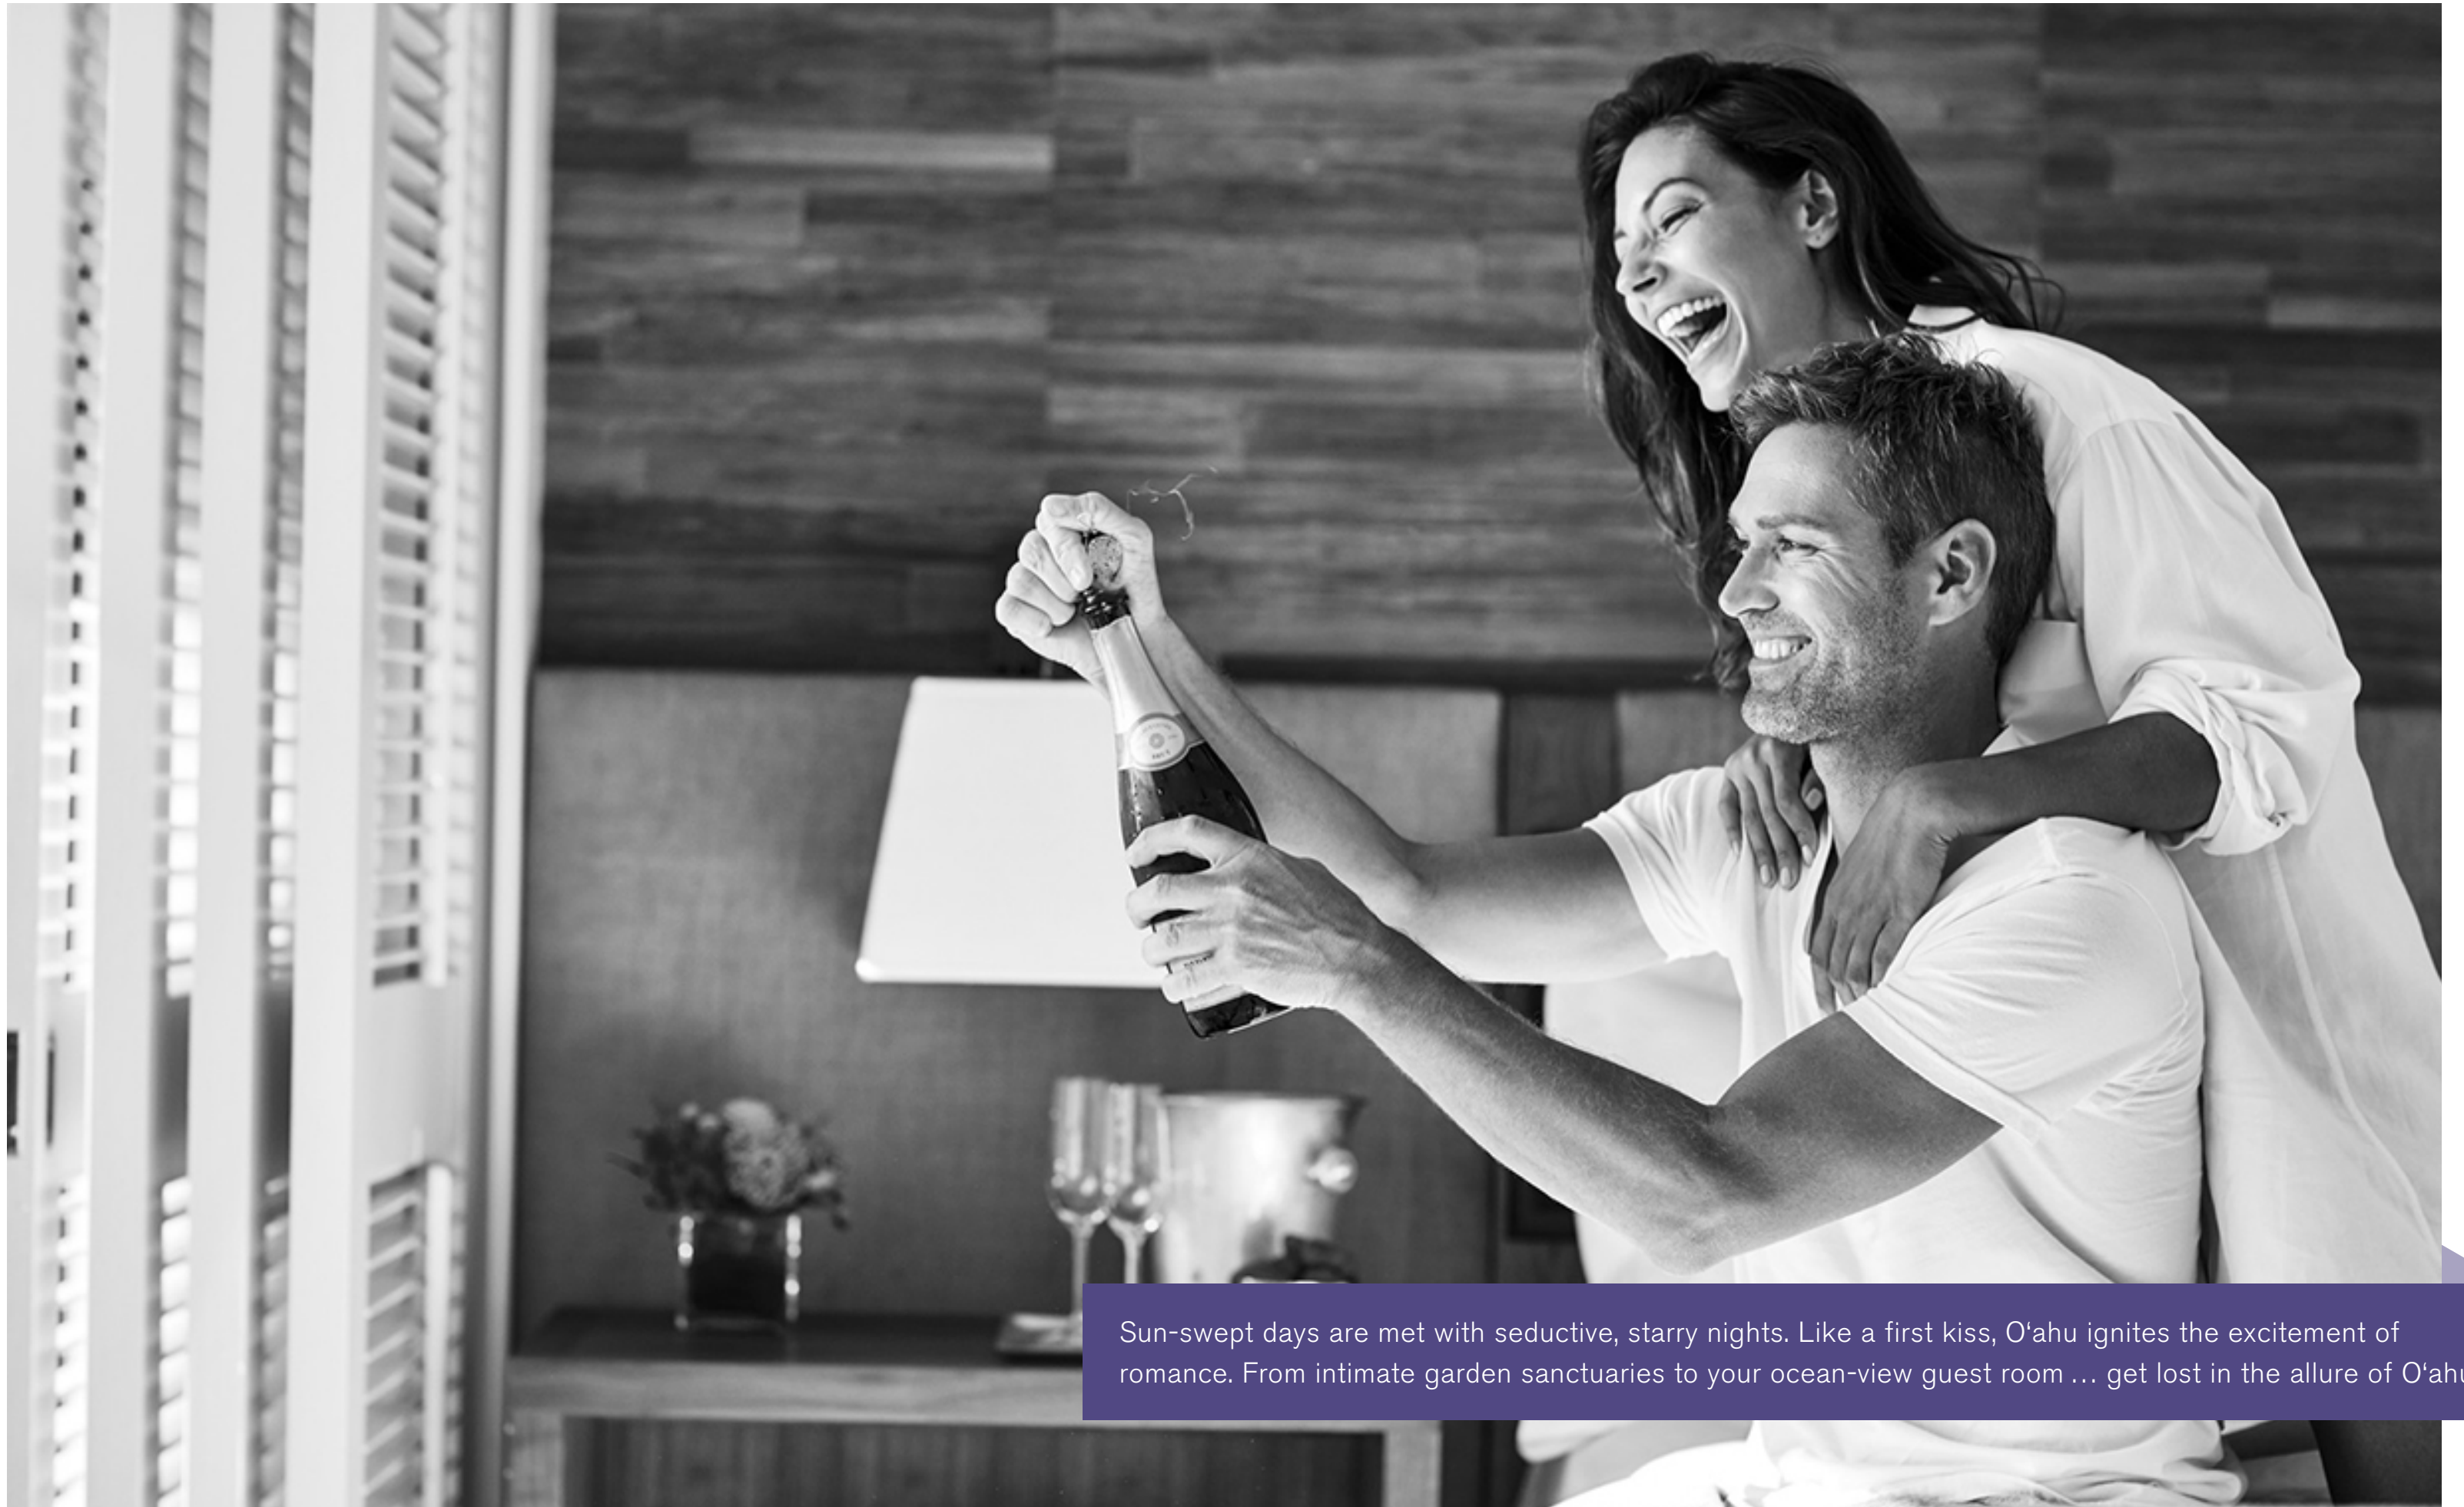

Bursting with cool tropical flavors, Hawaiian shave ice is the quintessential must-try on O'ahu, available at many colorful ice stands and shops. Be sure to pop in for lunch at the Kalapawai Market, a tradition since 1932.
