## [Four Seasons Condos Coming to Austin](#)

A Four Seasons condo project is coming to downtown Austin. Called the Four Seasons Residences, there will be 166 units ranging in price from \$400,000 to \$2,000,000. So Austin is getting yet another high-rise condo project. There are conflicting opinions about whether or not the market can absorb all of the units coming to downtown. I'm just going to sit back and watch.

### 3 Comments on Four Seasons Condos Coming to Austin

Sam,

Last year when I was there, a lot of vacancies still existed. Is that still the case, and if so, what are they thinking?

Lucky :)

Hi Sam,

We have the Four Seasons Residences here in Houston, Tx. I love them. It's located downtown and just an awesome condo built into the hotel. There are none available. Best thing about it is all of the hotel amenities.

I heard there is a great one in Jackson Hole.

Margie - thanks for the input on the Four Seasons Residences in Houston. Just with the name they should do well here.
