FOUR SEASONS
ASTIR PALACE HOTEL
ATHENS

A NOTE FROM OUR GENERAL MANAGER

Our entire team is here to ensure that you experience a truly memorable stay at the glamorous Athens Riviera.

It is with great pleasure that we welcome you to our **Four Seasons Astir Palace Hotel Athens**.

There is so much to do here; we have created this **Activities Guide** to give you a sense of what is available every day.

Each activity gives you a chance to get to know all the friendly, committed and talented people in our Four Seasons team. With their expertise, you may learn a new sport, acquire knowledge, or simply enjoy time with friends and family.

Whether is it to make restaurant reservations, book spa treatments or plan Resort activities, our Concierge Team is always here to assist you.

Thank you for choosing us and I look forward to welcoming you in person.

EXCEPTIONAL DINING EXPERIENCES

Quintessential Greek summer evenings – soft sea breezes, pink sunsets, and dazzling star-scapes were made for celebrating with family and friends. Create your own private dining experience in one of our stunning locations, from lantern-lit seclusion for two on the beach to al fresco parties spilling out onto our lush lawn. With a dedicated chef, set menu options, and personalised service, we help you make each moment bespoke.

PRIVATE DINING LOCATIONS

PRIVATE CABANA

Wave music, glowing sunsets, and soft breezes set the backdrop for your seafront cabana where two to eight people can enjoy divine dining and the shimmering Saronic Gulf.

BUNGALOWS BEACH

Make the grandest of romantic gestures by arranging a lavish dinner for two at the Bungalows Beach: a unique, lantern-lit location right on the water that promises the ultimate in privacy alongside dramatic sunset vistas. Or extend the happiness for up to six guests for an intimate milestone celebration.

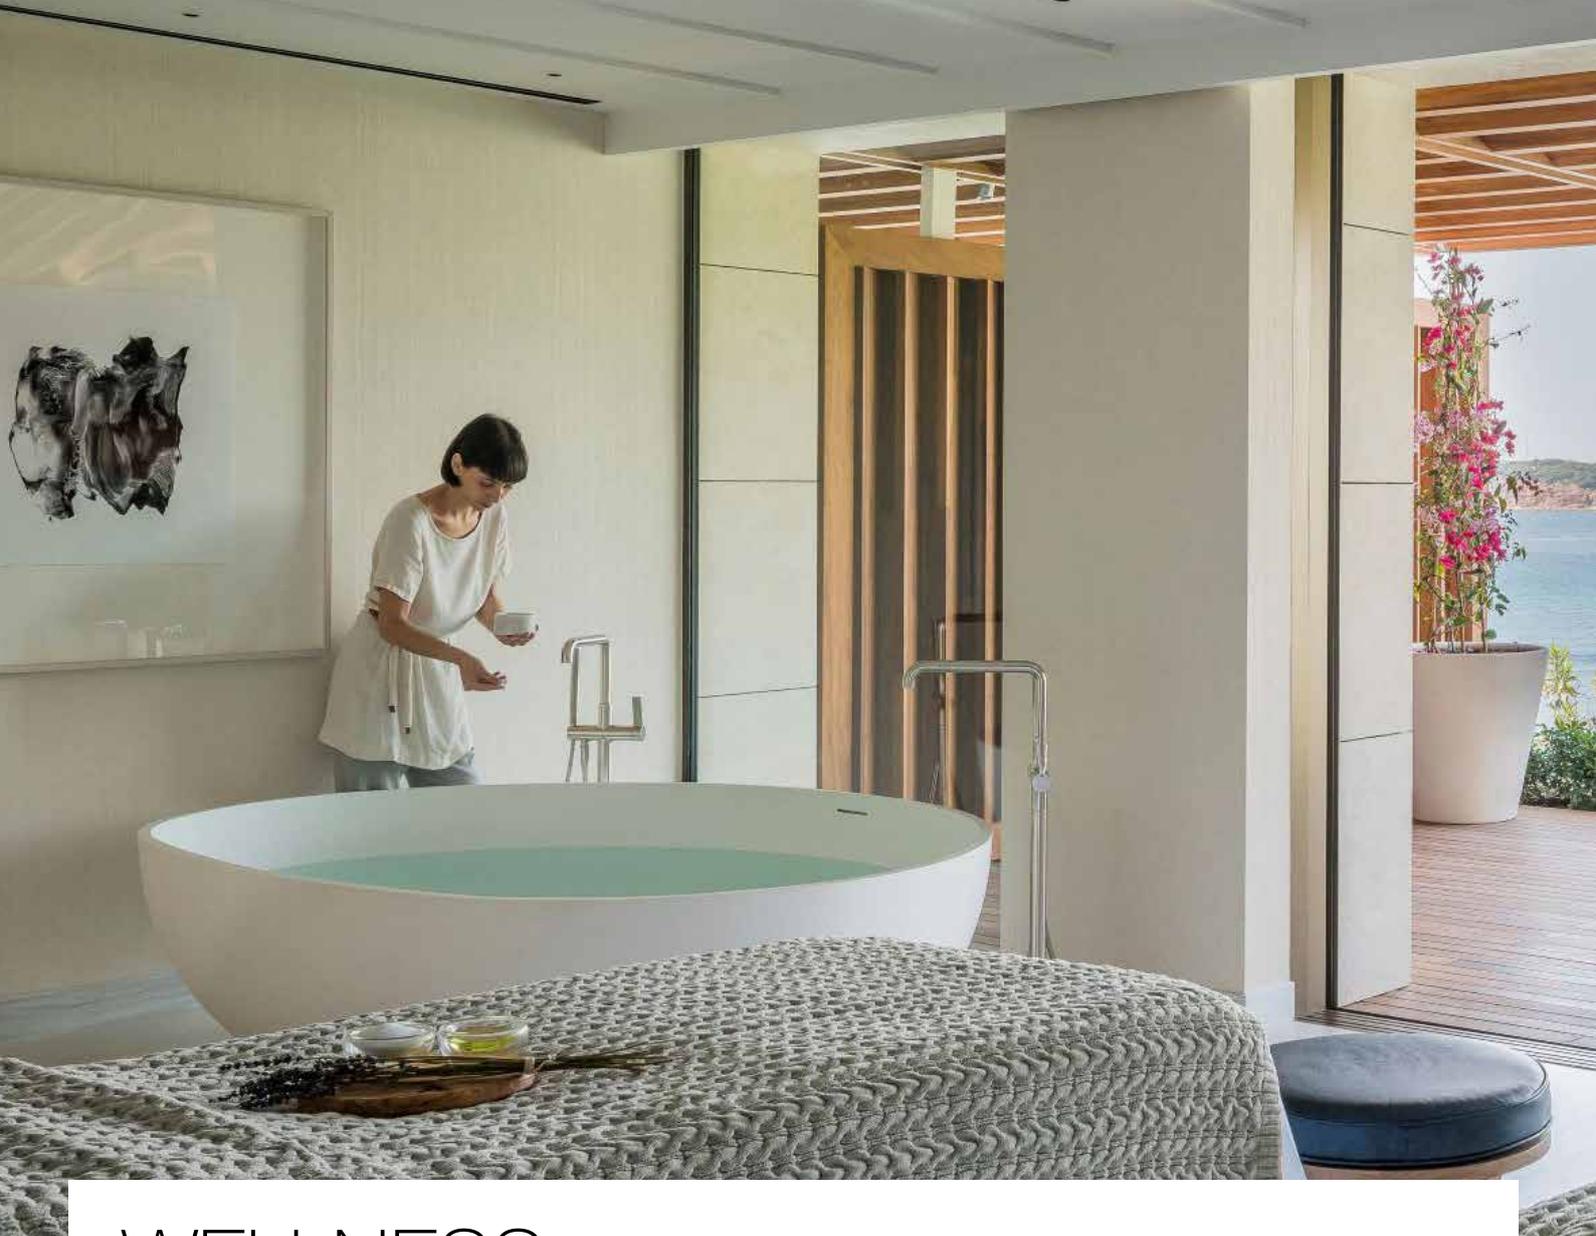

AL FRESCO BY MERCATO

Let the laughter and love spill out across our semi-private lawn space at Al Fresco by Mercato, beside our elegant Italian trattoria. With soft grass underfoot and glittering sea views, it's the ideal place to celebrate a special occasion for 10 to 50 guests.

STAR GUIDE

Since the beginning of time, people, especially ancient Greeks, have turned their eyes to the sky and discerned the shapes of animals and objects in the stars, thus creating constellations. Among other things, they saw lions, scorpions, and bulls, as cuneiform texts found in the Euphrates Valley suggest. Join us for a night with Dr. Fiori-Anastasia Metallinou from the National Observatory of Athens.
