

WINTER 2021 ACTIVITY GUIDE

► *PLAN YOUR STAY*

welcome

Having grown up in Ohio, Austin's so-called "winter" took a little getting used to. But I soon learned, what Austin lacks in snow, it more than makes up for in things to see and do.

Throughout the city, locals and businesses embrace the season with a variety of festive offerings. Here at the Hotel, you'll find cozy nooks and creative activities that invite you to reconnect in a meaningful way with friends and family.

For me, this winter is a bittersweet one, as I will be retiring from Four Seasons Hotels & Resorts after 36 years in hospitality. Thanks to my incredible team and wonderful guests like you, those years have been filled with incomparable experiences and memories to last a lifetime. I am truly grateful.

No matter how long your visit, my wish is that you'll wring every bit of Austin magic out of your time here, and carry a little piece of our wonderful city with you wherever your next adventure takes you. Just as I hope I've done, and will do, in the future.

Sincerely,

Rob Hagelberg
General Manager
