COME GET TO KNOW US

It's rare to find a more genuine smile than that of a Bahamian. This warmth and hospitality are more than island-life; it's our way of welcoming you home. And as you've traveled all this way, it's our tradition to offer up a selection of famed local festivities.

JUNKANOO - RHYTHM OF THE BAHAMAS

Revered around the world – the vibrant display of costumed dancers and musicians is the epitome of what holidays in The Bahamas offer: celebration; dance; fanfare – it also doubles as one of the nation's fiercest competitions. The Resort will host two Junkanoo rushes on March 28th and April 2nd at 4:30 pm.

CIGAR ROLLING & RUM TASTING

Find yourself in our Martini Bar enjoying authentically hand rolled premium cigars manufactured and distributed by Habanos S.A. – a Cuban company established in 1994 in sole control of the production, and export of Cuban tobacco products worldwide.

“The spirit of The Bahamas” - Distilled from sugar cane since the 17th century, rum is deeply embedded in the history and culture of The Bahamas. With all its various colors and spices, join us for a Rum Tasting and partake in educating yourself in the many types of rum the island has to offer.

Cigar Rolling - Mondays & Fridays from 7:00 pm to 9:00 pm

Rum Tasting - Mondays from 4:00 pm to 5:00 pm

ARTISTS IN RESIDENCE JANE WATEROUS & JONAH WATEROUS

Jane Waterous, The Ocean Club's artist-in-residence, fills the resort with her vibrant works, prominently displayed in the lobby, Martini Bar, and Spa. Best known for her Gatherings series—sculptural figures symbolizing unity—her pieces often feature uplifting messages like “Love” and “Joy.” Her Into the Blue series, also showcased at the resort, captures the thrill of human figures leaping into sky and sea. Living nearby with her husband Len, Jane frequently engages with guests, sharing the inspiration behind her art. Their son, Jonah Waterous, also has numerous pieces throughout the resort, showcasing his unique “dotilism” technique—intricate acrylic paintings made of tiny, intentional dots that bring movement and light to subjects including flowers, and animals. Guests looking for a more immersive experience are invited to visit the Waterous family's studio on the island, where they can explore their creative process up close and discover exclusive works not found anywhere else.
