

Bogotá invites you to explore Spanish-colonial cathedrals around the corner from vibrant street art. Pre-Columbian history, alongside cutting-edge fashion design. A thriving culinary scene, minutes from scenic foothills of rare Andean cloud forest. And, of course, Colombian coffee and emeralds – each among the world's finest. Four Seasons presents two distinctive ways to immerse yourself in all this diversity: Four Seasons Hotel Casa Medina in the quaint Zona G (for Gastronomy) and Four Season Hotel Bogotá, amidst the non-stop energy of the Zona T, home of upscale shops and clubs.

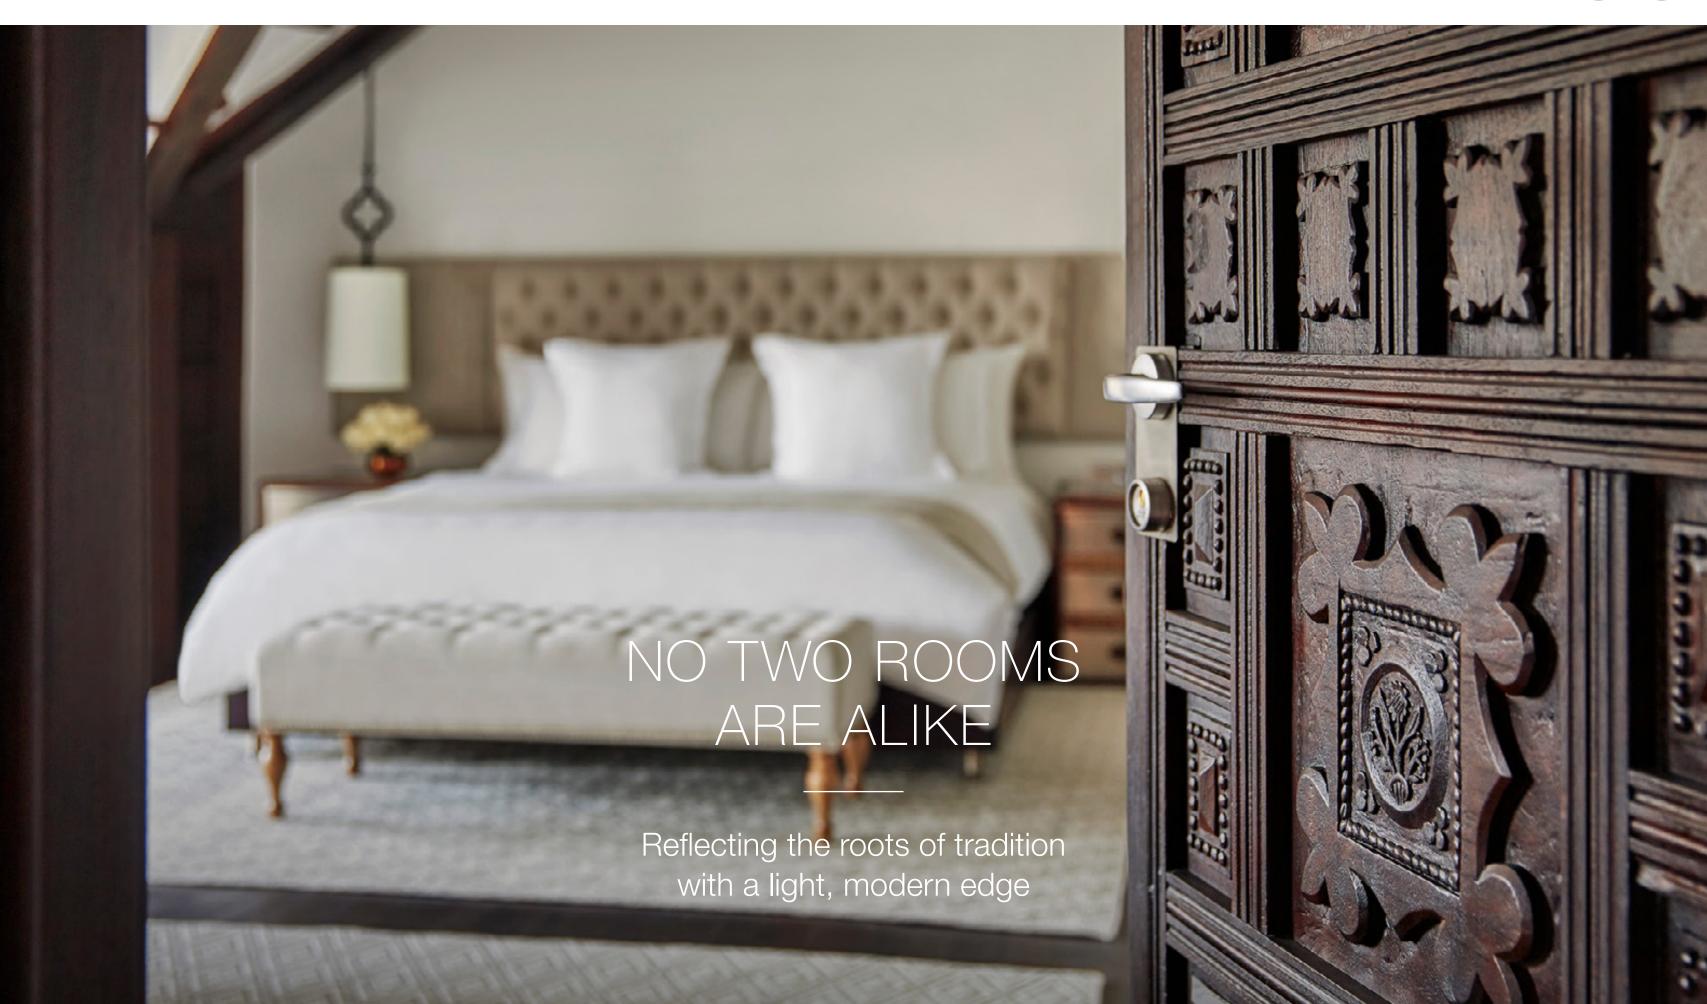

Perfectly placed for business and pleasure, Four Seasons Hotel Casa Medina makes you at home in the Zona G, steps from many of Bogotá's five-star restaurants. The Hotel's stone columns, beamed ceilings and hand-carved details exude charm, inspiring Colombia's Ministry of Culture to declare it a monument of cultural interest. From the Spanish restaurant and tapas bar to a spa experience with Colombian flair, enjoy this stately and urbane jewel of composure and calm, long recognised for its legacy of luxury hospitality, now with the touch of Four Seasons.

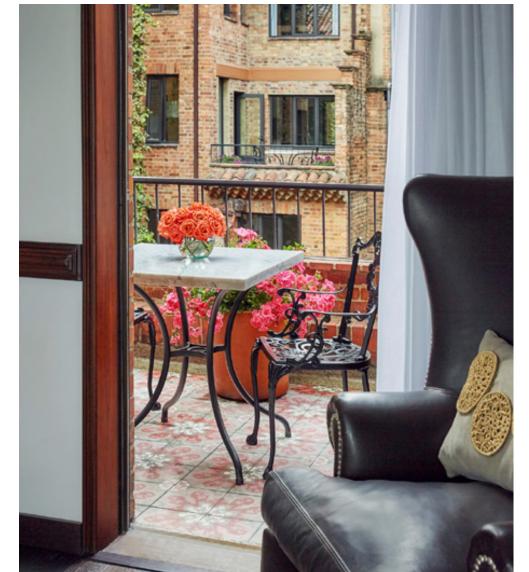

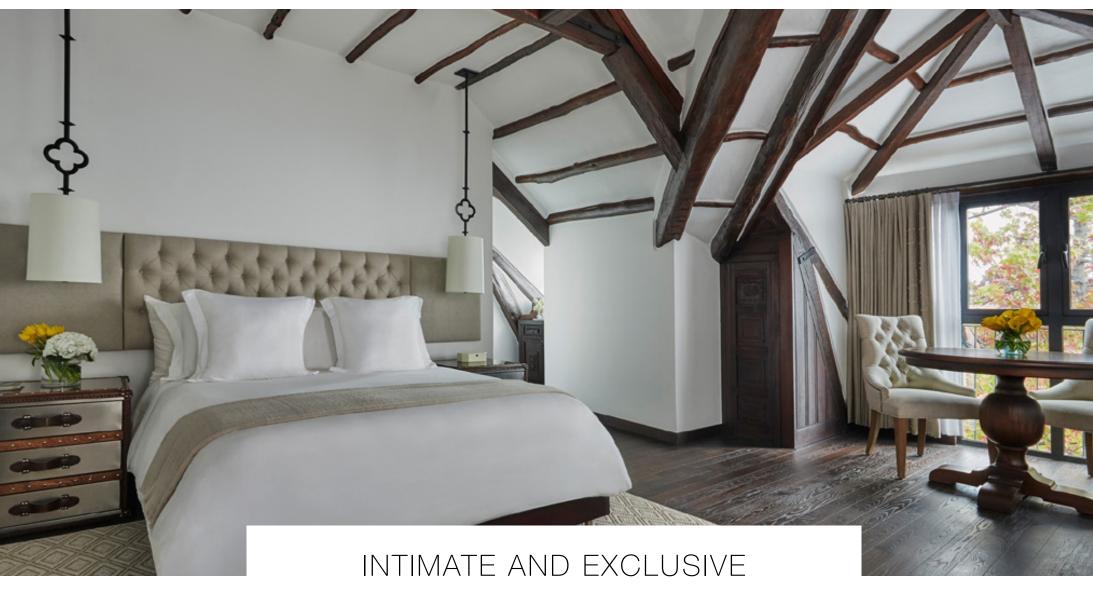

Each of the 62 guest rooms is unique, with tufted leather furnishings, wood floors, and hand-carved accents. More than 25% are spacious suites - including the Penthouse Suite, a favourite with heads of state, royalty and rock stars. Some rooms add to the comfort with a wood-burning fireplace; others feature a balcony. Beds are custom designed for a peaceful sleep and thermo-acoustic windows soften the city sounds. Prepare for your day exploring Bogotá in the sleek marble bathroom, well supplied with thick terry robes and Loto del Sur toiletries.

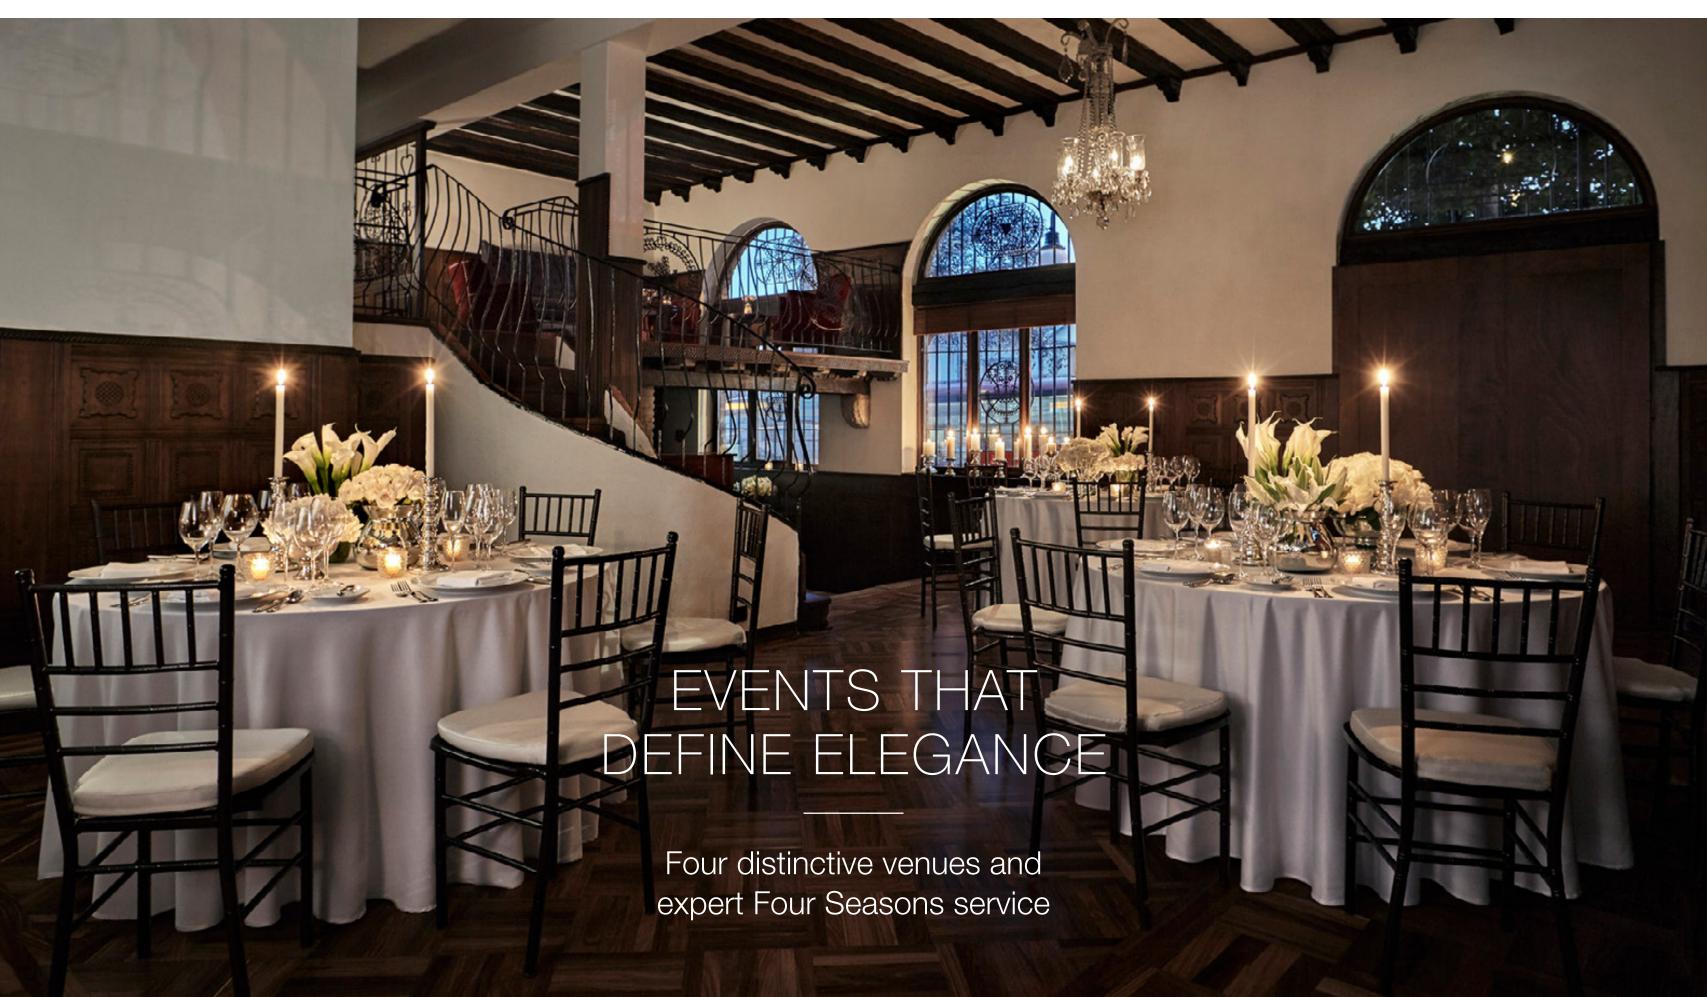

Our own spin on a traditional Spanish neighbourhood restaurant and tapas bar, Castanyoles is stylish and inviting. Indulge in the tempting, savoury small plates from our exposed brick tapas oven. Sip fine wines, or our signature sangrias, on the plush banquette under the glass atrium. Enjoy private dining in the delightful El Virrey. Or, when pressed for time, take away our prepared gourmet foods from La Bodegá. Always ready to complete the meal, the boost of fine Colombian coffee, prepared just as you like it.

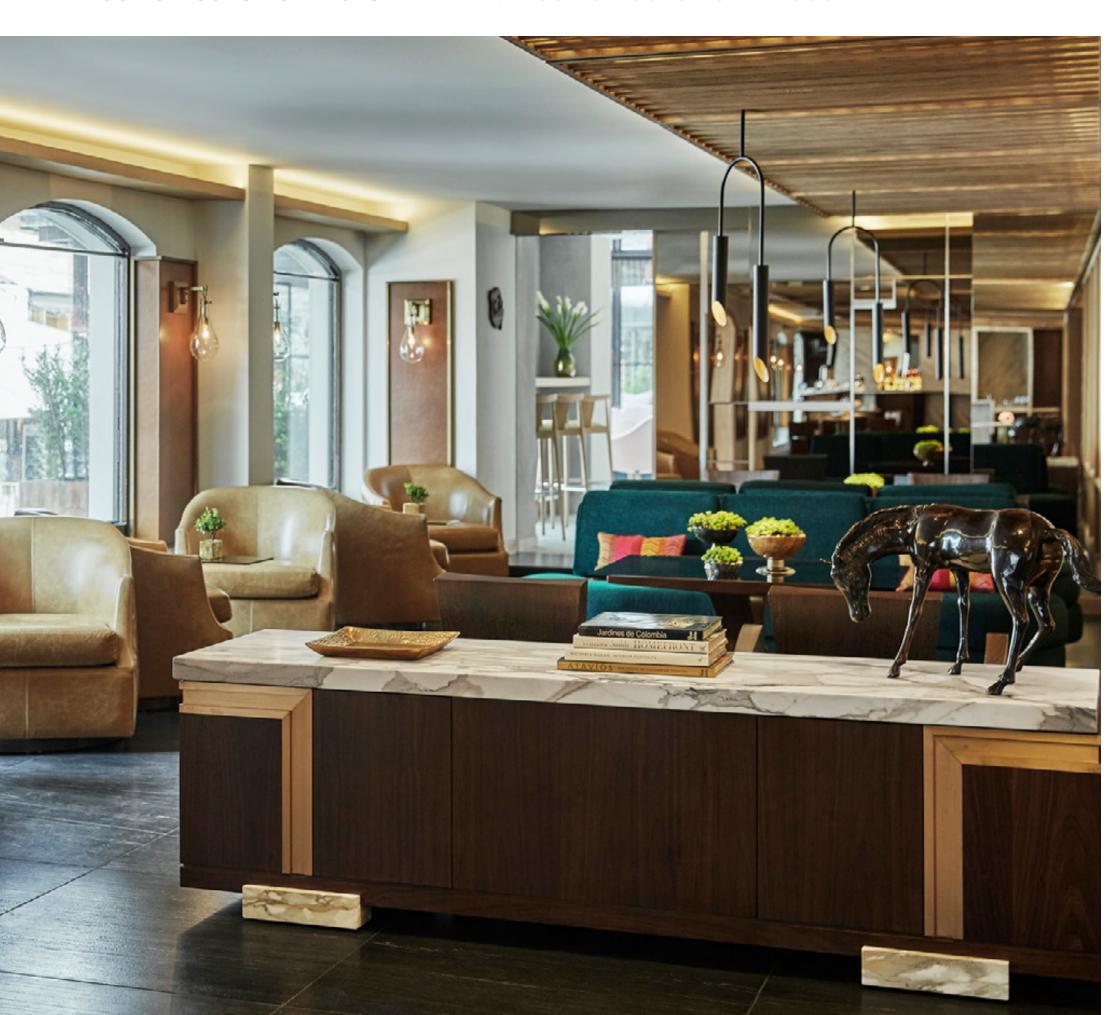

From private celebrations to corporate meetings that demand discretion, Four Seasons is always the right choice. A banquet for 90 or cocktail reception for 150 finds the perfect setting in the exclusive Casa Medina Room, with its private pre-function area. One-of-a-kind, two-level Los Rosales overflows with architectural charm. Versatile El Nogal can be configured for groups of up to 80. Or host a private dinner or board meeting for up to 10 in La Merced. Bright and sophisticated, with eclectic Spanish-colonial flourishes, Four Seasons complements it all with unequalled service and innovative cuisine.

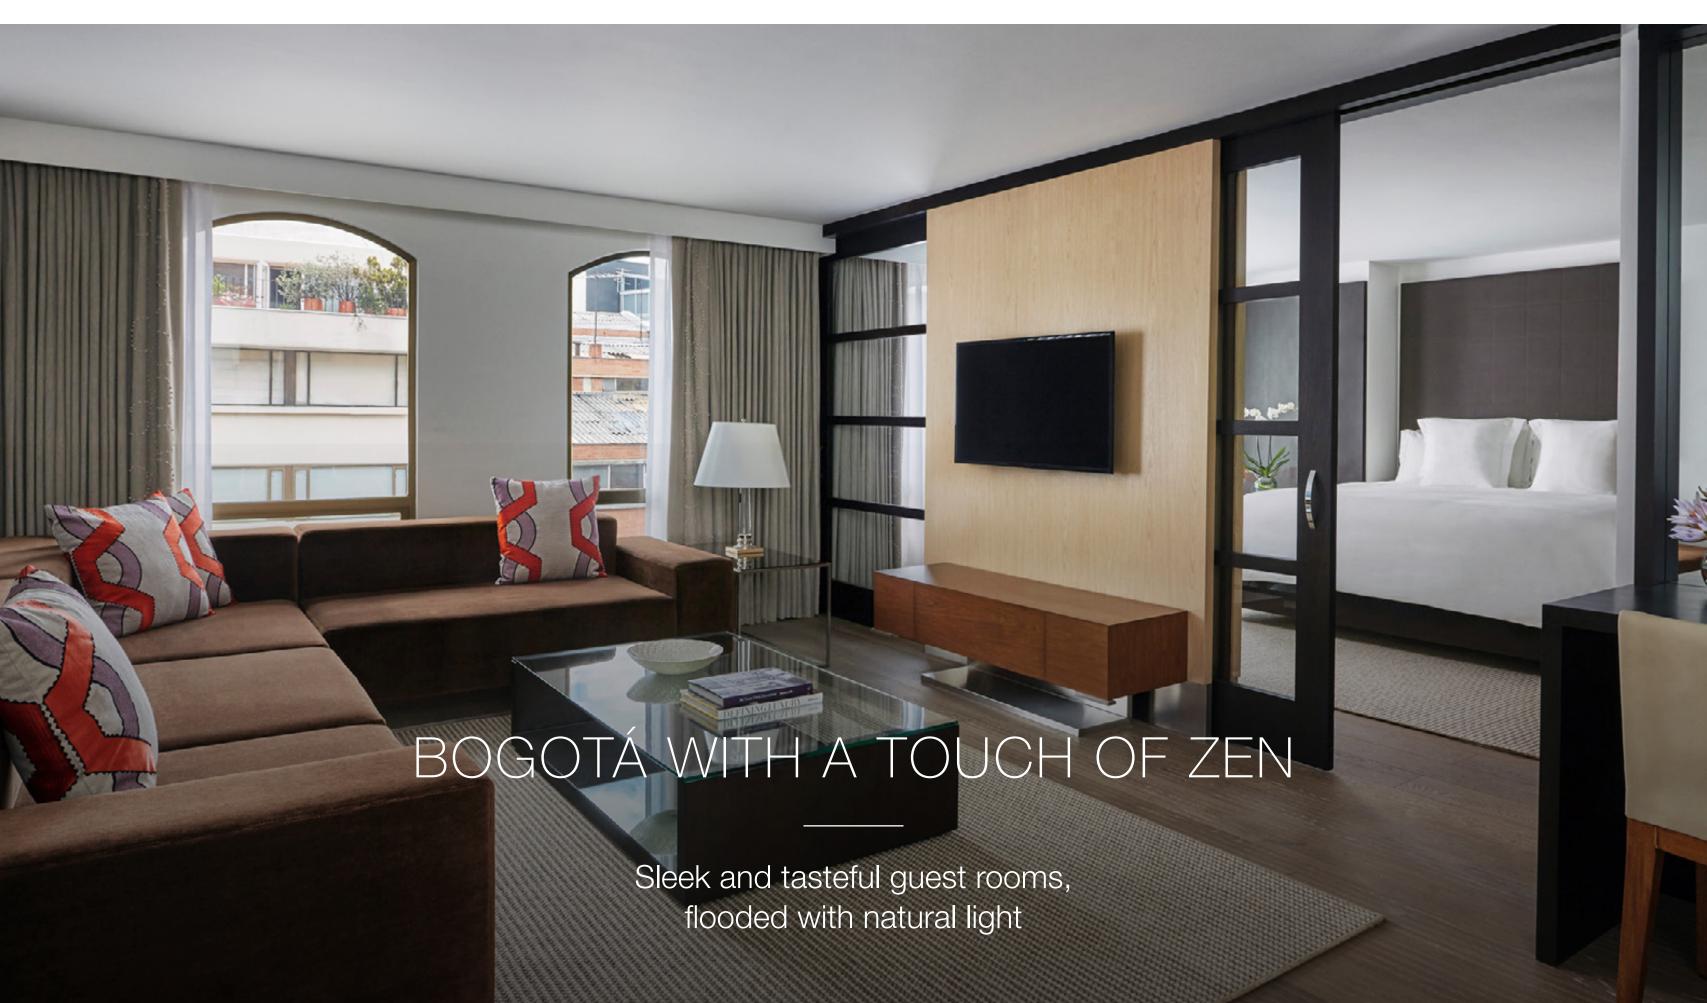

Four Seasons Hotel Bogotá is your chic, contemporary retreat amid the high-energy vibe of the Zona T, where the city's high society comes to see and be seen. Find yourself steps from the finest shops, nightclubs and cafés in the capital, on strollable, buzzing streets. Share conversation over sushi or robatayaki at our authentic Asian restaurant. Relax in our intimate spa. Stretch out in the comfort of our light-filled guest rooms and suites. And immerse yourself in ultra-cool Bogotá at its coolest, with Four Seasons as your guide.

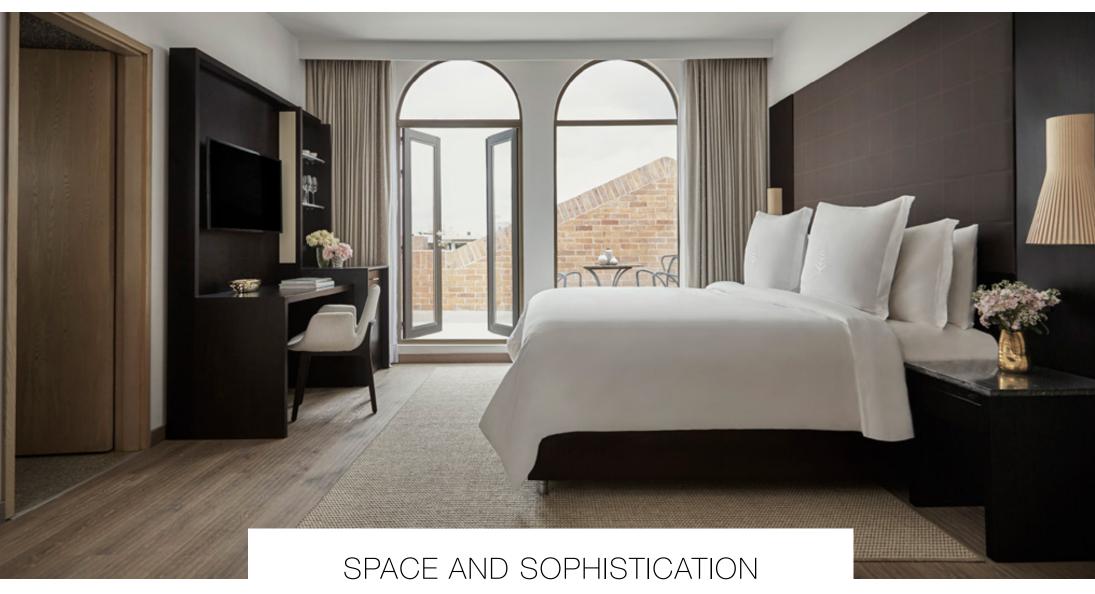

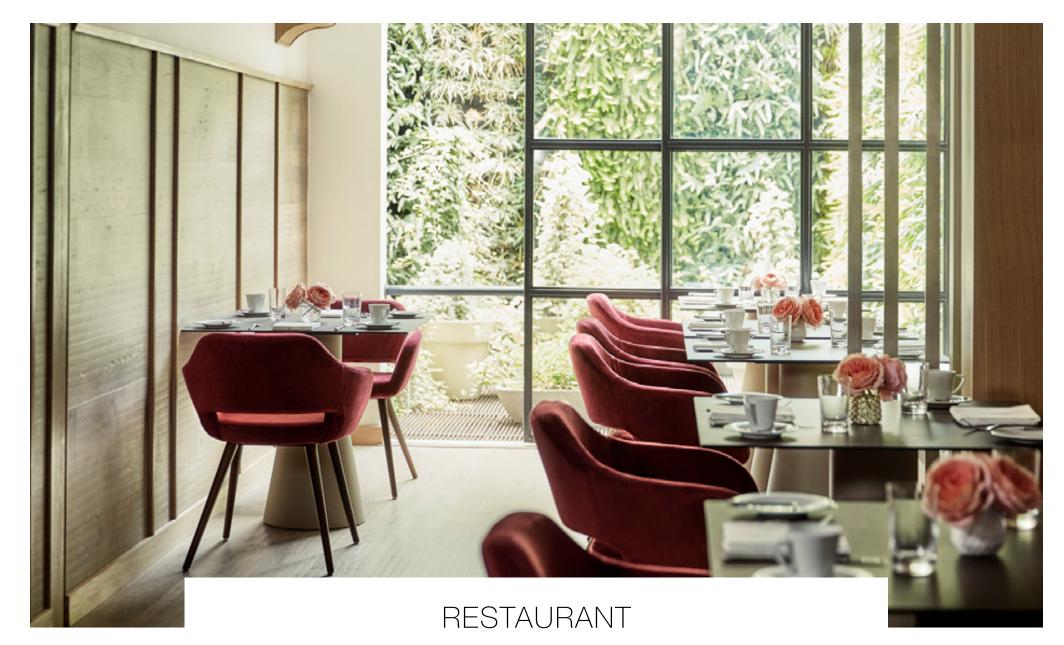

With suites accounting for almost half of our 64 bright, airy guest rooms, Four Seasons Hotel Bogotá promises a sense of space and privacy. Choices culminate in our Penthouse Suite, with its wood-burning fireplace and large private terrace. The soothing neutrals accent elegant, au courant design and signature Four Seasons touches include the spa-like marble bathroom. Sleep soundly after your busy day on a custom-designed bed dressed in 600-thread-count Egyptian cotton. All guest rooms allow you to work productively and relax in comfort.

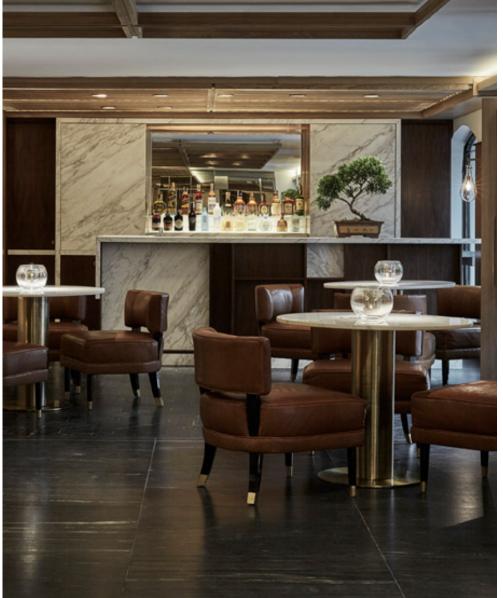

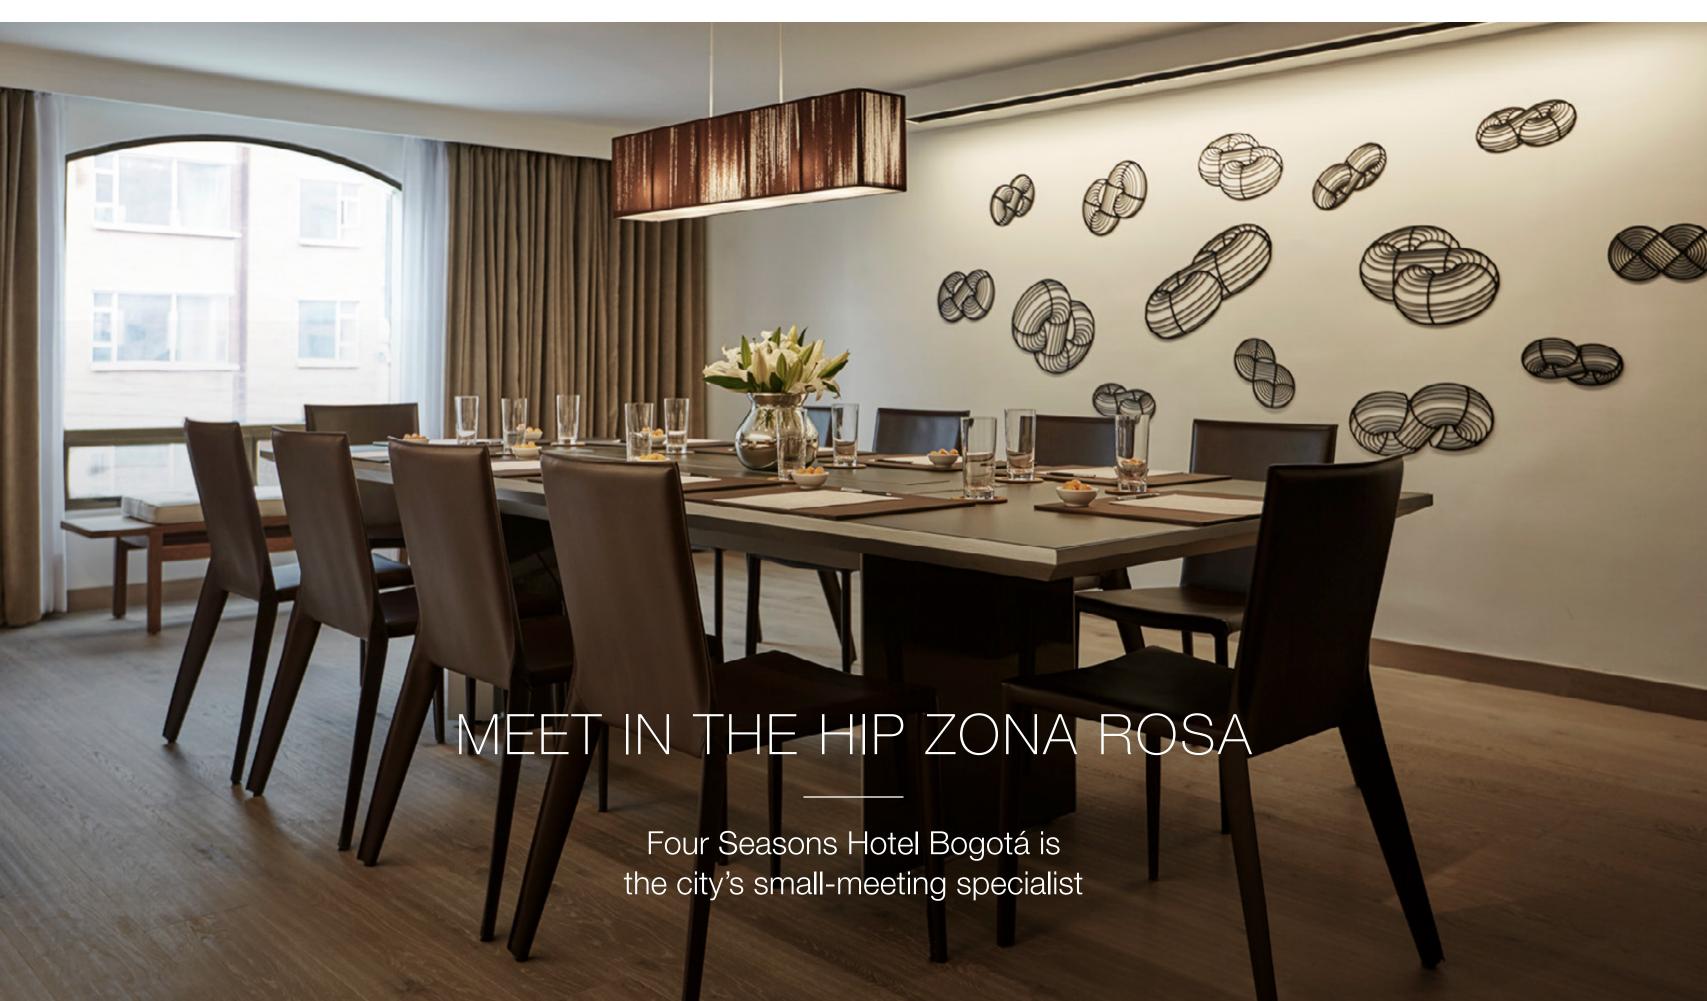

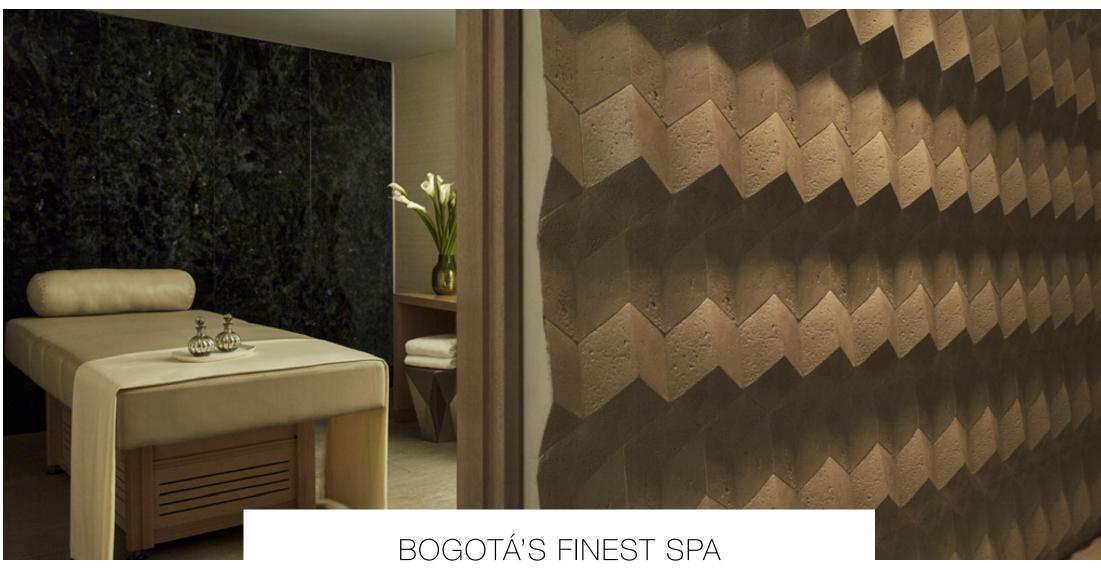

Our Fura Emerald Ritual body treatment, inspired by a Colombian legend of love, is just one way to reward yourself with spa experiences that draw on the richness and biodiversity of Colombia. Facials rehydrate and refine delicate skin with all-natural products by Biologique Recherche. And our massage room for two is a peaceful setting to share – for an hour or as part of an extended spa retreat. Stay on top of your workout routine in our 24-hour fitness centre, then unwind with steam. After a long day of business or touring, refresh with our express spa services, from massage to pedicures.
