

The background of the advertisement features a soft, neutral-toned spa setting. In the upper right, there is a white ceramic bowl filled with a pale yellow liquid, garnished with several white cherry blossoms. Below it, a wooden tray holds a rectangular piece of white, fibrous natural loofah. To the left, a wooden spoon rests on another wooden tray. In the bottom left corner, a branch with white cherry blossoms and green leaves is visible. The overall aesthetic is clean, natural, and serene.
