THE ADVENTURE BEGINS

Along 3.2 kilometres (2 miles) of pristine shoreline on the calm Sea of Cortez, Four Seasons welcomes you to an oasis in the desert that is as romantic as it is serene. Sleek, elegant and spirited, our style is the embodiment of elemental luxury – and our weddings are no different. Invite your loved ones to celebrate together at our one-of-a-kind hideaway in paradise.

PERSONALIZED PLANNING

At Four Seasons, no two weddings are alike – whether you dream of a bohemian beach wedding or East Cape elegance. Our on-site wedding professionals will help you custom-design an unforgettable experience for you and your guests – from a cocktail reception by the pool to your own personal fireworks display on the beach.

FARM-FRESH CUISINE

Delight your friends and family with innovative cuisine, created just for you by our Four Seasons culinary team. The Baja California Peninsula is home to a bounty of culinary delights. Our chefs work closely with local farmers and fishermen to bring you creative menus that highlight our flavourful Baja cuisine. Warm, friendly Four Seasons provides personalized service for each one of your guests.

ADVENTURES IN PARADISE

Fill your time in Los Cabos with unforgettable experiences – whether to share with friends and family or for just the two of you on the most romantic honeymoon. Choose from our many East Cape Adventures, custom-tailored by our dedicated Adventure Concierge. Let us plan a friends and family tournament on our Costa Palmas Golf Club, designed by Robert Trent Jones II. Go off-roading through desert dunes, snorkel from a luxury yacht, or splash beneath a hidden waterfall. Spend lazy afternoons lounging on our private beach, plan a workout for two in our sports club, or unwind together at the Oasis Spa. Cherish this precious time together, savouring the full Four Seasons resort experience.
