A 15TH-CENTURY CONVENT,
REBORN WITH LUXE STYLE

Four Seasons ha creato un luogo elegante quanto lo é la città di Milano – che abbraccia un bellissimo chiostro totalmente nascosto agli occhi dei passanti. Gli interni rivelano autentici dettagli del Rinascimento: affreschi, colonne e soffitti a volta.

Four Seasons creates a setting as effortlessly elegant as Milan itself – embracing a cloistered courtyard completely hidden from the street. Interiors reveal authentic Renaissance details: original frescoes, columns and vaulted ceilings.
