HANA ALOHA MIXOLOGY

Taste passion and connection

Imbibe a ceremonial tasting of Kō Manulele, the sweet juice of heirloom sugarcane grown by Manulele Distillers. In the ancient love ceremony Hana Aloha, Kō Manulele was one of three sugarcanes used to arouse a deep and everlasting love. KōHana Agricole Rum is meticulously crafted from farm to bottle. Experience heirloom, hand-harvested varietals that are pressed to juice and then distilled to perfection — resulting in one of the world's finest pure cane rums.
