How to get to here

Just 35 minutes from downtown Honolulu on Oahu's sunny western shore, our beach front Resort is edged to the north by the pristine nature preserve of Lanikuhonua ("where heaven meets the earth") and to the south by four lovely beach coves, known as the Ko Olina Lagoons. We're just a short walk to the award-winning Ko Olina Golf Club and a few-minutes drive to the Ko Olina Marina, Hawaii's only private deep-draft marina – where you can set off for fishing, sailing and whale-watching expeditions. With an abundance of things to do both on land and in the water, you're guaranteed to find your very own ko olina – or "place of joy."

Transportation

LUXURY CAR OR SUV

To make your arrivals and departures a little less hectic, try a pre-arranged airport transfer.

PRIVATE CAR SERVICE – PLATINUM LIMOUSINE

Our preferred car service offers greeting upon arrival at your respective baggage claim for domestic and inter-island flights only. Arrivals on international flights will be greeted curbside upon exiting customs.

HELICOPTER

If you're looking for a scenic, extra-quick transfer to and from the airport, we can arrange for a helicopter ride, taking just 10 minutes from the airport to our Resort's helipad.

RIDESHARE SERVICES

Rideshare services, such as Uber and Lyft, are also available. Passengers on arriving flights need to proceed to one of three predetermined rideshare pickup locations.

ENTERPRISE RENTAL CARS

Enterprise is located in Ko Olina and vehicles will be dropped off at Four Seasons when booked through Concierge. Advance reservations are strongly recommended, as stand-by vehicles are extremely limited. We especially ask for at least 72-hour notice or more for Jeep Wranglers, convertibles and large SUVs as they are in high demand. At the time of your confirmed reservation, please see concierge to complete a brief contract. Vehicles are available for reservation on 24-hour period increments.

Our resort parking fee of \$55/day is waived for Enterprise vehicles that are rented via our concierge and picked up from the hotel.
