YOGA

60 MINUTES

Experience a mindful flow from one posture to the next, linked with deep breathing. This is a beautiful and meditative yoga class where you transition in and out of postures, while moving to the rhythm of your own breath. Classes may be modified for all levels.

Pricing: \$700 per class

*optional gratuity will apply

Capacity: Maximum 20 per class

YOGALATES

60 MINUTES

This combination of yoga and pilates stretches and strengthens your body - emphasizing core control in all poses and focusing on breathing while in motion. All major muscle groups are used, leaving you feeling toned and flexible. The emphasis of pilates is to develop the deep stabilizing muscles of the torso and strengthen the core abdominal and back muscles, while the focus of yoga is to breathe, stretch, and feel. The non-impact resistance eliminates stress on joints, realigns muscle imbalances, and focuses on maintaining neutral pelvic and spinal alignment. This user-friendly fitness class is suitable for both general and highly athletic groups

Pricing: \$700 per class

*optional gratuity will apply

Capacity: Maximum 20 per class

WELLNESS WARRIOR BOOT CAMP

60 MINUTES

Push yourself with circuit-training designed to get your heart rate up and muscles firing. Strength, balance, dexterity, endurance, and focus are targeted in this workout suitable for all skill levels. You will challenge your own boundaries through a diverse series of functional movements and exercises where your entire body is engaged.

Pricing: \$700 per class

*optional gratuity will apply

Capacity: Maximum 20 per class

GROUP CYCLING (SPIN)

60 MINUTES

An invigorating indoor cycle class that provides a variety of terrains - hills, climbs, flats, and much more. Inspired by uplifting music, you are sure to break a sweat as you cross the finish line with the team. a great way to increase lower body strength and cardiovascular endurance.

Pricing: \$700 per class

*optional gratuity will apply

Capacity: Maximum 10 per class

GROUP MINDFULNESS SESSION 60 MINUTES

Mindfulness means maintaining a moment-by-moment awareness of thoughts, feelings, bodily sensations, and the surrounding environment. This session focuses on helping you completely disconnect from all sources of anxiety and the worries of daily life. The combination of breathing and mindfulness exercises helps you increase focus, have better relationships, improve sleep, and stay calm under pressure. More important, this technique dramatically changes your view of what it means to be present, healthy, and stress-free. You can expect a complete release of stress physically and a sense of mental clarity. These sessions are flexible and require no previous experience.

Pricing: \$800 per 60 minute class

*optional gratuity will apply

Capacity: Maximum 20 per class

VIBRATIONAL SOUND IMMERSION 60 MINUTES

A truly unique and profoundly immersive experience to restore the natural rhythms of your body and mind on a cellular level. Our 'sound bath' helps you achieve a restorative and euphoric state through the beautifully peaceful sounds and vibrations played around your guests by our team of spa sound healers. These vibrations from the bowls have a gentle and positive impact on your entire body from musculoskeletal, to your brain, and internal organs. This vibrational session inspires a state where you may transcend stressful thoughts and the energies of your body and mind are harmonized. This renewed balance affects each guest individually and can vary from incredibly restorative and uplifting, to deeply relaxing and calming. One constant is that your guests will not soon forget this remarkably memorable and transformative time.
