The rights and remedies made available under this contract are in addition to any other rights or remedies available under applicable law. Operator will make reasonable efforts to accommodate Participants with special needs; however, Operator cannot accommodate wheelchairs. If you require a slower pace, extra assistance, or the use of a cane or walking stick, arrangements will be made for private touring at each destination, if necessary, at the discretion of Operator staff. Any extra cost for such arrangements will be the responsibility of the Participant. If you would like to forego some of the scheduled sightseeing to rejuvenate and relax, please feel free to do so at any time.

Single/Shared Accommodations & Suite Upgrades: A limited number of single rooms are available at extra cost on a space available basis. Operator will make reasonable efforts to assist persons requesting a roommate. If a roommate is not confirmed, the single rate will be charged. Suite rooms are available in some destinations; more information about them, including their additional costs, will be sent to you in the months before departure.

Foreign Visa Documents: To participate in Tour, entry visas may be required in some countries. Visa information will be sent to your pre-departure documents. Acquiring visas is the responsibility of the Participant. Failure to receive visas does not negate the terms and conditions. Any extra costs for rerouting Participants without visas will be the responsibility of the Participant.

Personal Information: Personally identifiable information of Participants may be shared between FSHL, hotels and resorts managed by FSHL ("Hotels") and Operator. FSHL and Hotels will maintain such information in accordance with the Four Seasons Privacy Policy available at www.fourseasons.com. Operator will maintain such information in accordance with its privacy policy available at www.TCSandSQ.com.

Photography & Video: FSHL and Operator reserve the right to take photographs or videos (the "Photography") during the Tour and to use the Photography, including the image or likeness of Participants, in whole or in part, in any form, either alone or accompanied by other material, for promotional purposes including without limitation advertising, promotion, publicity, trade or any other marketing purpose, throughout the world, in any medium now known (including, without limitation, printed media, digital and electronic media, audiovisual recordings, still photographs and the internet or mobile applications including social media) or hereafter developed. Participants who prefer their images not be used should notify Operator in writing prior to the commencement of the Tour. Unless Participants so notify Operator in accordance with the foregoing, Participants hereby waive, in favour of FSHL and Operator: (a) any and all right to inspect and/or approve FSHL's or Operator's use of the Photographs, including the image or likeness of Participants; (b) any and all claims of copyright or other ownership with respect to FSHL's or Operator's use of the Photographs, including Participants' likeness or image; and (c) all moral rights of whatsoever nature in and to the Photographs and Participants' likeness or image represented in the Photographs.

Basis of Rates: All prices are based on two persons sharing a room. All prices and fares are quoted in U.S. dollars. The rates are based on current tariffs and are subject to change due to unforeseen circumstances. While Operator will make reasonable efforts to maintain the listed prices, if it is necessary to levy a surcharge, Operator reserves the right to do so and will notify you at the time of final invoicing. Operator reserves the right to cancel the Tour because of inadequate enrolment that makes the Tour economically infeasible to operate. In such a case, a full refund of the Tour cost will be made.

Release of Liability: The passenger tickets in use by the carriers shall constitute the sole contract between the carriers and the Participant; the carriers are not responsible for any act, omission, or event during the time Participants are not aboard their conveyance. Hotels are providing hotel accommodation only and FSHL and Hotels are not responsible for any act, omission, or event during the time Participants are not at a Hotel. None of FSHL, Hotels or TCS, or any of their respective owners, directors, employees, contractors, officers or agents (collectively, the "Released Parties") shall be held liable for (A) any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider, (B) any loss or damage due to delay, cancellation, or disruption in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control, and (C) any claims, demands and/or liability (including, without limitation, defamation, libel, false light, copyright infringement, invasion of privacy and/or right of publicity claims) arising out of or relating to any use of the Photography or any element thereof including the image or likeness of Participants, and (D) any and all claims, actions, or losses for bodily injury, property damage, wrongful death, loss of services, lost profits, consequential, exemplary, indirect or punitive damages or otherwise which may arise out of or occur during your travel in connection with the Tour. The Participant waives any claim against any and all of the Released Parties for any loss, damage, injury, or death, including any right to seek consequential, punitive or exemplary damages against any of the Released Parties for any reason whatsoever. *None of the Released Parties shall be liable for any air carrier's cancellation penalty incurred by the purchase of a nonrefundable ticket.*

Acknowledgment of Risk: You understand and acknowledge that your travel in connection with and participation in the Tour may involve risk and potential exposure to injury or fatal injury and that risk and dangers may be caused by the negligence or participation of other participants, contractors and/or subcontractors for the Tour or from other foreseeable and unforeseeable causes, including weather and other acts of nature.

Express Assumption of Risk and Responsibility: In recognition of the inherent risk of the travels and related activities in which you are intending to engage, you confirm that you are physically and mentally capable of participating in the Tour and that you are willingly and knowingly electing to participate in the Tour and voluntarily assume full responsibility for any injury, loss or damage suffered by you or caused by you. By registering for the Tour, you certify that you do not have any mental, physical, or other condition or disability that would create a hazard for yourself or other participants. Operator reserves the right in its sole discretion to accept, decline to accept, or remove any Participant on the Tour and reserves the right, subject to the terms and conditions contained herein, to withdraw any part or all of the Tour and to make such changes as may be necessary.

Arbitration: Any controversy or claim arising out of or relating to this Agreement or the performance there under, including without limitation any claim related to bodily injury, property damage or death, shall be settled by binding arbitration in New York, New York USA in accordance with the rules of the American Arbitration Association then existing, and judgment on the arbitration award may be entered in any court having jurisdiction over the subject matter of the controversy. Such proceedings will be governed by substantive New York law. This agreement to arbitrate does not waive or modify the liability release contained in this document.

Exclusive Governing Law and Jurisdiction: This Agreement shall be governed by the laws of the State of New York, without regard to conflicts of laws principles. If the right to seek arbitration is for any reason waived by both parties, or if judicial review of any arbitration is sought, any action or legal proceeding arising out of this Agreement shall be brought exclusively in the courts of the State of New York, or, if it has or can acquire jurisdiction, in the United States District Court for New York or the appropriate appellate courts and the parties hereby waive any objection to venue or jurisdiction in connection therewith. In connection with any action or legal proceeding arising out of this Agreement, the parties hereby specifically and knowingly waive any rights that either party might have to demand a jury trial.
