Happy New
Year!

Once [★] in a lifetime experiences

SERENGETI KANI SPA: TREE OF LIFE - 120 MIN (\$)

Baobab - Africa's "tree of life" - can live a thousand year or more. Journey with us its nutrient-rich, anti-ageing glory during this revitalizing boost to your physical & emotional wellbeing: an intensive rooibos , kigelia and baobab oil body exfoliation as a symbol of renewal, and an uplifting massage with the reviving aromatic power of citrus essential oils in luxurious Shea butter & baobab nuggets

SERENGETI KANI SPA: PUMZIKA (RELAX) - 120 MIN (\$)

Flow from a full body marula and sandalwood exfoliation to a muscle-relaxing milk bath before a soul-soothing massage: profound serenity heralded by the sound of a traditional rain stick.

RESIDENT PHOTOGRAPHER - LAURENT MMASSY

Those who prefer to capture the landscape through a lens will have the opportunity to book a photography safari with our Resident Photographer, Laurent. Coming from the busy city of Dar es Salam and keen to share his photography and Swahili culture, Laurent is passionate about wildlife photography along with portraits, making this a great opportunity to capture special family moments during your stay with us.

CHRISTMAS OR NEW YEAR IN THE WILD (\$)

Considered as the ultimate culinary safari experience - indulge in one of our festive dinners in the middle of the Serengeti National Park and gather around a bonfire to enjoy stargazing under the protection of Maasai warriors.

24 hours' advance reservation is required for activities
(\$) - Chargeable activities
