COUNT ON OUR **Ski** Concierge

**YOUR SKI EXPERIENCE AT
FOUR SEASONS IS ENHANCED
BY OUR DEDICATED SKI
CONCIERGE SERVICE,
AVAILABLE EVERY DAY

Our three-story Ski Concierge building is located near the base of Gondola One – a short walk on a heated pathway or quick shuttle ride from Four Seasons. You'll find a full-service concierge team, available to assist with equipment rentals, ski lessons, maps, weather reports, ski-condition information and more.

Before hitting the slopes, enjoy complimentary snacks, coffee, tea and hot chocolate.

EXPERT BOOT FITTING

If you plan to ski during your stay, we recommend you visit the Gorsuch boot-fitting room after check-in to be fitted for your boots and skis. Your information will then be transferred to the Ski Concierge building, where your equipment will be waiting for you in your private locker. These state-of-the-art lockers have been imported from Switzerland and feature a system that air-dries boots and gear.

Warm Up IN THE SPA

Our *Forbes* five-star Spa at Four Seasons offers the opportunity to relax, renew and restore well-being. Choose from an array of results-oriented and organic treatments focused on preserving the delicate balance of hydration and nourishment – especially important in our alpine climate. You can also relax and warm up in the sauna!

SPORTS MASSAGE 50 MINUTES / 80 MINUTES

Therapeutic massage oil, infused with arnica, is used to aid in relieving sore, tired or stressed muscles. A firm massage using sport therapy techniques increases range of motion, improves circulation and relieves tension. Moist heat therapy compresses to the back, neck and shoulders will continue to melt muscle tension.

For details on more spa treatments, visit: fourseasons.com/vail/spa or call 970.477.8630. Open daily 8:00 AM to 9:00 PM.
