SKI CONCIERGE

Exclusively for Four Seasons guests, our full-service Ski Concierge team is located in a three-story, chalet-style building near the base of Gondola One. It's a six- to eight-minute walk from the Resort, or take one of our Mercedes-Benz SUVs or shuttles, running regularly.

Vail Mountain is the ideal ski resort for expert and beginner skiers and riders, and for all of those who fall in between. Ski lessons and beginner terrain can

be found from both Golden Peak and Lionshead Village. Transportation will be provided by our Resort to both locations.

The Ski Concierge staff is ready to provide maps and weather reports, and arrange equipment rentals from Gorsuch, our exclusive rental provider.

You can be fitted and measured for ski or snowboard rentals in the convenience of the Resort's main building, then your

gear will be ready in your private locker upon arrival at the Ski Concierge building. You never need to carry your skis and poles. Our Ski Concierge will assist you every step of the way – even helping with putting on and taking off boots!

At the end of the day, come back to the Ski Concierge building for complimentary cookies, coffee, espresso and hot chocolate.

SNOWMOBILE

Board state-of-the-art snowmobiles for an astonishing adventure through the Vail Valley and the surrounding area. For first timers or expert riders, your guide can design an ideal route – whether touring Vail's northern mountains or historic Camp Hale.

SNOWCOACH

If you prefer to stay a little warmer, a 13-passenger, heated, four-track snowcoach is the perfect way to see the Colorado backcountry. Rent a private vehicle or go with a group. You'll enjoy a comfortable ride, winding through the White River National Forest or climbing to 12,000 feet (3,658 meters) for majestic views of the Colorado Rockies and the Continental Divide.

DOG SLEDDING

Climb on board! Traditional dog sleds take you through open meadows and glades of pine and aspen trees, following private trails in the backcountry of the Vail Valley. It's pure winter refreshment – feeling the crisp cold air and hearing the sound of the dogs' feet trampling through the snow.

HELI-SKIING

For those seeking an adventure beyond the ordinary, helicopter skiing can be arranged in high-alpine basins and cirques - creating first tracks above the tree-line with picture-perfect views and vistas of the Colorado Rocky Mountains.
