SEASON'S GREETINGS!

We are thrilled to welcome you to our winter holiday escape!

As we celebrate another amazing year, we would like to thank you for choosing to spend this magical time with us at Four Seasons Resort and Residences Whistler. Our mountain paradise offers something for every member of the family.

This year's list of activities and events is better than ever, and we can't wait to share them with you. Keeping with tradition we have Expedition North Pole, family portraits with Santa, s'mores by the fire pit along with other holiday favourites.

Returning this year is our Whistler Cubs programming—winter centric activities for all ages that include everything from cooking classes, crafts and excursions across the Resort. We are also immensely pleased to encore our après-ski pop-up dining concept —The Cabin. This season, we welcome the whole family to come rest your snow boots by the fire pit, grab artisanal bites that will delight the young and old, and sip wine varietals to create nights you will never forget.

Our skilled Concierge team will be happy to guide you through all the options and make all the necessary arrangements for you.

On behalf of all of our colleagues at Four Seasons Resort and Residences Whistler, we wish you happy holidays and hope you create holiday moments to last a lifetime.
